# The Badgett-Sanders Mer. Co.

Our Big Department Store is already beginning to take on the appearance of Fall. Loads and loads of the choicest Merchandise are arriving daily from this country's greatest markets. Our buyers have returned from the East where they scoured the large cities and we feel confident we have the cream of the market. Every effort was made to buy our merchandise at the very lowest market price just so long as quality was not interfered with.

## Foresaw the Great Advance in the Price of Cotton Goods, Shoes, Etc.

We studied the market conditions and struck it right. Feeling sure the price on muslins, percales, and all cotton goods were going "out of sight" we fairly filled our shelves at the old prices. 'Twas the same with Shoes. They have all advanced from 10 to 20 per cent but it is nowhere evident in our Shoe stock. Our orders were placed months ago before even the manufacturers thought of the great advance in prices.

Much of the goods we are receiving from the wholesaler now could not possibly be replaced by him at the same prices. To sum this all up: We bought before the market raised. We paid cash for everything we bought. We buy the largest bills in Vinita. We promise our customers the largest assortment of Fall and Winter Merchandise of the very highest quality at Prices that are absolutely unquestionable.

**A Worthy Object.** The Landrum graveyard being in a neglected condition, the citizens in the community met on August 1, 1900 and elected the following committee to solicit subscriptions for the purpose of fencing same and doing other improvements necessary. Y. G. Murry, Sam Landrum, and Watt Adair were chosen as committee with Mr. Murry as chairman. Mr. Murry received \$22.25 from the following persons: Mrs. J. S. Martin, \$5.00; Will Derine, \$1.00; Mike Sheehan, \$1.00; Joe Quisenberry, \$1.00; J. O. Hall, \$1.00; R. R. Taylor, \$1.00; J. W. Hill, \$1.00; Cherokee Scott, \$1.00; Jay Modall, \$1.00; Isaac Woodall, \$1.00; J. V. Woodall, \$1.00; F. H. Wills, \$1.00; J. C. Cook, \$1.00; W. F. Clark, \$1.00; W. L. Trotter, \$1.00. Received by Sam Landrum, \$1.00. Received by Mrs. Adair, \$1.00. Making a total of \$30.25, of which \$24.14 was expended for material, including wire, lumber, nails, staples, etc., leaving a balance of \$6.11 in the hands of Tom Kerr, who was chosen treasurer. On August 19th the citizens of the community met at the cemetery, made posts and began the work of fencing same, which is now complete, composed of posts driven ten feet apart with corners well braced, with 26 inch Elmwood woven wire at bottom and two strands barbed wire at top, gate made of 1x4 inch oak. It is only fair to remark that the Frisco Hardware Co. sold us the wire, etc., at cost. The cemetery is still in need of a general cleaning up and straightening out, consisting of marking certain graves, opening driveways, etc. This community wishes to tender their thanks through Mr. Murry for all help rendered financially and otherwise. We wish all persons interested to keep this matter in mind until the cemetery is in better condition. All persons who have a direct interest and who wish to help can send their contributions to Tom Kerr, treasurer at Vinita. A few persons who live in the immediate neighborhood have nearly all the labor to perform, which is no small part of this work and any aid from persons who have friends or relatives buried here will be thankfully received.

Miss Jessie Spaulding is employed in the dry goods department of Badgett-Sanders's Mercantile Co. J. F. Charlesworth, the city sprinkler, sprinkles on West Illinois Avenue as far as Kelley's may office, McClure feed store and the Brinson-Patterson Lumber Co. The Misses Kennedy and Scott have returned from St. Louis with their new stock of millinery, which they will soon have on sale at Kate's. They spent a few weeks there acquainting themselves with the new styles of the season and with their long experience will be able to give Vinita the best the season affords. **Cherokee Club Won.** The Cherokee Club baseball team went to Afton Sunday and defeated the team at that place by a score of 8 to 7. The feature of the game was Wilton R. Elfin's fielding and Sam Seekin's catching. **That Prize Saddle.** Lee Harrell, our popular harness and saddle maker, announces that he has completed and now has on exhibition at his shop the saddle offered by the Stewart, Son & McCormack Company, of the National Stock Yards Bldg., as a special prize to the rider making the best time at Coffeyville on the 8th and 9th last. The above firm at the National Stock Yards has been handling a heavy percentage of the business of our local shippers and several of the boys are going to make a special effort to bring the saddle to Vinita. Hears wishing them success. **Wait For Her.** "Once I was young, but now I am old," said an old sage this morning, yet I have never seen a girl unfaithful to her mother who ever came to be worth a one-eyed button to her husband. It's the truth. It isn't exactly in the Bible, but it is written large and awful in the lives of many misfit homes. Young men, if you ever run across a girl with her face full of roses, who says to you as you come to the door, "I cannot go for thirty minutes yet for the dishes are not washed," you wait for that girl. Sit right down on the door step and wait for her because some other fellow may come along and carry her off, and then you lose an angel. Wait for that girl and stick to her like a burr to a mule's tail."
